

CCB/PT-4.4/B.1 issue 5 of 19.10.2023

The number, issue, and release date of the program

Fresh concrete and hardened concrete

Program Name

Round No.	IV
Proficiency Testing Object	Fresh concrete and hardened concrete
Submission of Participation	by March 15, 2024
Sampling by Participants / making fresh concrete tests / making concrete samples for further testing / handing over the made concrete samples to the PT Organizer for the time needed for the fresh concrete to set ^{1,2}	April 11, 2024
Taking away by Participants of concrete samples handed over the previous day to the PT Organizer for the time needed to set them ²	April 12, 2024
Submission of Test Results to the PT Organizer ² (concerning the results of the fresh concrete and the results of the hardened concrete tests for density, compressive strength, flexural strength and tensile splitting strength)	by May 17, 2024
Dispatch of Intermediate Report to Participants ²	by June 11, 2024
Submission of Test Results to the PT Organizer ² (concerning the test results of hardened concrete in terms of depth of penetration of water under pressure, frost resistance, water permeability of concrete and absorbability)	by July 17, 2024
Dispatch of Final Reports to Participants ²	by July 31, 2024

¹ Within the framework of this Proficiency Testing Program, the Participant shall take samples for testing on its own, regardless of the reported scope of participation.

² The sampling date, due to forecasted weather conditions, may be changed. Participants will be informed of the new date at that time, and the subsequent round dates specified in this Schedule will be adjusted by the PT Organizer, taking into account the period resulting from the postponement of the sampling date.

Sampling Location: Warsaw, Poland (the exact address and detailed sampling schedule will be provided to the Participant after the Participant sends the Application Form and confirms his/her participation in this round)
