<sup>1)</sup> A discount of 10 % for participation in the entire range of tests <sup>2)</sup> Please check the appropriate box X					

As part of this Proficiency Testing Program, the Participant conducts tests **on samples prepared and provided by the PT Organizer**, and then submits the test results to the PT Organizer.

The registration form should be sent as a scanned copy to the email address: [badania.bieglosci@barg.pl](mailto:badania.bieglosci@barg.pl) by **January 31, 2025**. Submitting the registration form is equivalent to accepting the Proficiency Testing Program and financial conditions, as well as committing to confidentiality regarding obtained test results in relation to other Participants and securing documentation related to proficiency testing from unauthorized access. The Participant is obligated to conduct tests and submit them to the PT Organizer without coordinating with other Participants, whose participation in the program is known to them from other sources. In the event of collusion being identified, Participants will be disqualified from the respective round.

In the case of too few registrations, the PT Organizer may extend the registration period (which may affect the deadlines specified in the Program Schedule for a given round) or cancel proficiency testing for a specific property. Participants will be promptly informed of any changes.

Failure to submit proficiency test results by the Participant, as well as disqualification due to identified collusion, does not exempt the Participant from the obligation to pay according to the scope of the registered participation.

The participant has the right to withdraw from participating in proficiency testing at no cost, which requires submitting a written resignation to the email address: [badania.bieglosci@barg.pl](mailto:badania.bieglosci@barg.pl) within 14 days from the end of sending the applications.

**The transportation of samples is at the participant's expense, through a freight forwarding company and according to its price list.**

According to the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016, the participant declares that they consent to the processing of personal data for the purpose of implementing the Proficiency Testing program.
